

OUTSTANDING CHAPTER PROGRAM DETAILS

The Outstanding Chapter Program provides local chapters with a guide for events and activities that will increase engagement and enhance the benefits of FBLA Collegiate throughout the year. All educational events and related programming should align with at least one of the eight career readiness skills of the National Association of Colleges and Employers (NACE) to build key skills and competencies to successfully launch your career.

career competencies

By completing chapter activities, Outstanding Chapters will receive Certificates of Recognition for the chapter and ribbons for delegates attending the 2024 Collegiate National Leadership Conference (NLC). Ten local chapters will be awarded plaques at the NLC based on their submissions. All activities must be completed by May 1 to receive recognition at the NLC.
